Dear Parishioners:

September 2020

What a year!!!!

We were forced to close the Clothes closet, the Community Kitchen, and the Pantry to walk-ins.

We have continued operation of the much-needed Pantry. Food is pre-packaged and delivered to clients at the dock. Our numbers have remained constant, although we have seen an increase of new clients.

Because of the congestion issues, we have been looking at expanding our current facilities, to bring the very popular Clothes Closet downstairs and make it more accessible to our clients.

Your generosity has allowed us to help families through these very tough times. As you know, many people have lost their jobs due to the pandemic. This year we need your help again. Please consider making a financial donation to St. Vincent de Paul. Through your donation you too will serve the Lord in helping those who need it most.

If you can donate, please use the envelope provided with this letter. Drop it in the collection basket, send it via mail, or drop it off in the St. Vincent de Paul collection boxes.

Thank You.

The Society of St. Vincent de Paul, Hampton
