Dear Friends,

Sacred Heart School succeeds because a dedicated group of staff and parents believe in our mission to educate the whole child by fostering each student's spiritual, intellectual, physical, and social growth. There have been times of transition over the years, but one thing remains... Sacred Heart School continues to be a nurturing institution which provides a superior Catholic education to its students. Our children are the future of the Church and need the values and traditions of the Catholic community embedded into their education.

As many of you now know on June 13, Mark Gillis, our school principal, informed me that he will not be returning to Sacred Heart School for the academic school year 2014-2015. Mark shared with me that this decision was not made lightly and that he has enjoyed his time here, but due to family obligations and responsibilities, Mark accepted a position closer to home. Please pray for Mark and his family as he makes this transition in his life. He has done a great deal of good at Sacred Heart School and I wish him nothing but the very best.

I am working with Rev. John Fortin, the Superintendent of Schools at the Diocese, as well as a Search Committee to hire a new principal. I am confident we will find a new principal who will be best suited to serve Sacred Heart School. I will continue to keep the parish and school community informed.

Please pray for the success of this campaign and the Search Committee efforts as we look for our new principal.

God Bless,

Rev. Gary J. Kosmowski
Pastor
